

Occupational Health & Safety Policy BS OHSAS 18001:2007

The **aim** of the company is to be committed to ensuring the health, safety and welfare of its employees, so far as is reasonably practical. We also fully accept our responsibility for other persons whose health and safety may be affected by our activities. We will take steps to ensure our statutory duties are met at all times to include the provision of adequate resources to protect both employees and others who may be affected by our work activities:

To:

- Continually look to **improve** the effectiveness of our Occupational Health & Safety Management System..
- Have a Occupational Health & Safety Management System that is **documented**, implemented and maintained and subject to **auditing**.
- Achieve the **delivery** of projects on incident and accident free.
- Promote the company's **occupational health and safety culture** at all levels within the organisation and throughout our supply chain.
- Promote good working relationships with our **whole** supply chain to ensure that our own **occupational health and safety standards** are met.
- Effectively **maintain** our Occupational Health & Safety Management System to comply with legal and other requirements as well as **BS OHSAS 18001:2007**.
- **Develop** staff to their fullest potential through training, promotion and encouragement.
- Actively seek the **co-operation and suggestions** for improvements from all employees in relation to our Health and Safety Policy.
- Review our occupational health and safety objectives, compliance, risks and opportunities.
- Sustain our level of **health and safety awareness**.
- Ensure our Health & Safety Policy is **available** to all persons working for or on behalf of the company and **promoted** through our website, intranet and marketing.

The above is a summarised version of our Health & Safety Policy Statement which is reviewed on an annual basis and full information is available upon request (within our Health & Safety Control Procedures Manual).
