

# Primrose Hill Primary School

Rooff Newsletter - January 2020

rooff.co.uk

We are pleased to bring you our first newsletter of the new year for this project, providing an overview of the current and forthcoming works. Rooff has been appointed as the main contractor to create an Additionally Resourced Provision at Primrose Hill Primary School.

All internal work is due to be completed in February 2020, with the external work programmed to finish in March. Once complete the works will provide the school with dedicated teaching spaces for children with a diagnosis of Autism as well as a soft play room, sensory space and a mini gym. An extension to the playground garden will offer a quiet space for playtimes and learning.

Since coming back from Christmas all our workers on site have been busy and work is progressing very well.

The new toilet block and classrooms on the second floor are complete. (The photo to the right shows one of the finished classrooms).

The external works are ongoing in the playground to allow for the installation of the play equipment which is due to be installed this week.

The ASD sensory room is waiting for a specialist fit out which is anticipated to be completed by the end of February.

During the February half term, the week commencing the 17th the cabins we will be removed from site.

Rooff Newsletter - January 2020

rooff.co.uk

We will endeavor to keep any disturbance or disruption to a minimum and adopt best practice, to minimise any potential nuisance. Health and safety of all people are of the highest importance to us and we ask those with young children to point out where we are building and to remind their children of the dangers of building sites.

We are keen to maintain dialogue with the local community so all relevant parties are aware of the works taking place. Throughout the works we shall send regular newsletters to provide you with updates on our progress and an overview of the forthcoming works.

All works will be carried out in accordance with planning conditions, local authority regulations, building control and current legislation.

## Meet the Project Team

Please feel free to contact us if you need to discuss our works on site.

## Considerate Constructor

This site is registered with the Considerate Constructor Scheme, (registered No 71832 ) the benefits of which are to ensure that we consider and adhere to the schemes requirements, such as, appearance, respecting the community, protecting the environment, safety and caring for the workforce. If you would like further information on the Considerate Constructor Scheme please visit their website at [www.ccscheme.org.uk](http://www.ccscheme.org.uk)

## Local Opportunities

There may be opportunities for the local employment of individuals involved in construction. If you are interested in finding out more about these opportunities please email [rnicholls@rooff.co.uk](mailto:rnicholls@rooff.co.uk) quoting 'Primrose Hill Primary School'.
