

Tenda Road

Update March 2023

rooff.co.uk

We are building 12 new homes for Southwark Council at Tenda Road, made up of one, two, three and four bedroom flats.

Since the last newsletter, the scaffolding and site cabins have now been removed. Retaining walls, associated backfill and brickwork continue to be ongoing as well as drainage works. The mains connections of gas, electric and BT are complete. We have also completed the diversion works of mains network, UKPN cable and associated equipment.

Internally works are progressing within the flats and with the landlords.

Our Site Manager, Jon Taylor will be on site Monday to Friday, 8am-5pm. Jon is supported on site by our Assistant Site Manager, Paul Finn. If you have any questions about the building works or the site, please get in touch with Jon or Paul on the contact details below.
