

Redbridge Guide Dogs Training Centre

Project News Update - Issue 14 - November 2023

rooff.co.uk

We are pleased to bring you our November newsletter for the construction of the new Redbridge Guide Dogs Training Centre, providing an update of the current and forthcoming works on site.

Works in the past weeks have included:

- Steel Framing System works commenced on the first floor
- Scaffolding struck from the main building
- Mechanical works ongoing
- Groundworks all ongoing
- Roof works to the substation have been completed

Works in the coming period will include:

- Upstands to be completed on all roofs
- Once upstands are complete, we will have roofers back on site to continue the roof build up
- Groundworks and mechanical works to continue as normal

Social Value

In the past month, we have started a Redbridge resident on a work experience placement alongside his college course in Construction and the Built Environment. We have also started a university student on site to complete work experience alongside his studies in the final year of his degree.

Site Contact

Our Site Manager, Andy Colbear, is on site every weekday, and is your main point of contact. Andy is supported on site by our Assistant Site Manager, Connor and Site Engineer, Selva. If you have any questions about site operations please contact Andy, Connor or Selva, on the contact details below.

Project News Update - Issue 14 - November 2023

rooff.co.uk

Working Hours

Working hours on site are between 8am and 6pm Monday to Friday (excluding bank holidays) and 8am to 1pm Saturdays (if required). Workers will arrive earlier in the mornings to accommodate travel arrangements but will not start any work before 8am.

Deliveries & Logistics

Deliveries will be via Manor Road and will be coordinated to ensure minimal disruption to the local area. A dedicated traffic marshal is in place who will monitor and manage construction traffic during work hours.

Site Security

Our site is monitored by 24 hour CCTV and any intruders will be identified and security and police will be notified and attend immediately. Site hours will be 8am to 6pm Monday to Friday, if you hear or see anything outside of these hours please call our Security contractor Guardian Security on 01708 223823 who operate a 24 hour service.

Noise & Dust Control

There will be general basic construction activity noise but if any significantly loud work, such as concrete breaking is required, we will inform you in advance. Noise on site will be monitored and will follow Redbridge Council's noise regulations. Appropriate measures will be put in place to minimise the amount of dust created. We will use water to dampen down the areas to reduce the amount of dust produced.

Planning & Local Authority Regulations

During the construction period we will try to keep any disturbance or disruption to a minimum and apologise in advance for any inconvenience caused. All works will be carried out in accordance with planning, local authority regulations, building control and current Health & Safety legislation.

Considerate Constructor

The site is registered with the Considerate Constructors Scheme (**registration No 132653**). The benefits of which are to ensure that we consider and adhere to the scheme's requirements which involve respecting the community, caring for the environment and valuing our workforce.

If you would like further information on the Considerate Constructors Scheme please visit their website at www.ccscheme.org.uk.

Local Opportunities

There may be opportunities for the local employment of individuals involved in construction. If you are interested in finding out more about these opportunities please email enquiries@rooff.co.uk quoting 'Redbridge Guide Dogs Training Centre'.

Communication

The monthly update newsletter will be displayed on the site hoarding as well as the Rooff website. If you would like to receive the monthly newsletters via email please email enquiries@rooff.co.uk. If you have any queries or concerns about the current works on site please do not hesitate in contacting the site staff.

If you would like this information communicated by an alternative method, such as Braille, please email enquiries@rooff.co.uk.

Thank You

We would like to take this opportunity to thank you for your support and understanding throughout the works.
