Deliveries & Logistics

Deliveries will be via Alexandra Palace Way and into the North East Car Park and will be coordinated to ensure minimal disruption to the local area. Rooff will have a dedicated traffic marshal who will monitor and manage construction traffic during work hours.

Working Hours

Working hours on site are between 8am and 6pm Monday to Friday (excluding bank holidays). Workers will arrive earlier in the mornings to accommodate travel arrangements but will not start any work before 8am.

Site Security

Our site is monitored by 24 hour CCTV and any intruders will be identified and security and police will be notified and attend immediately. Site hours will be 8am to 6pm Monday to Friday, if you hear or see anything outside of these hours please call our Security contractor Guardian Security on 01708 223823 who operate a 24 hour service.

Noise & Dust Control

There will be general basic construction activity noise but if any significantly loud work, such as concrete breaking is required, we will inform you in advance. Noise on site will be monitored and will follow Haringey Council's noise regulations. Appropriate measures will be put in place to minimise the amount of dust created. We will use water to dampen down the areas to reduce the amount of dust produced.

Planning & Local Authority Regulations

During the construction period we will try to keep any disturbance or disruption to a minimum and apologise in advance for any inconvenience caused. All works will be carried out in accordance with planning, local authority regulations, building control and current Health & Safety legislation.
