

Sheep Field Barn, Henry Moore Foundation

Project News Update - Issue 13 - June 2025

rooff.co.uk

We are delighted to bring you our June Newsletter for the Sheep Field Barn project at The Henry Moore Foundation. The scheme will involve the alteration and refurbishment of the existing building in addition to an extension, new M&E provisions and external works. Display areas and workshop rooms will be created too.

Current works include:

- We are near to completing the PV panels to the main roof, also inverters have been installed
- All of the wood wool panelling to ceilings has been completed
- Resin floor to ground floor completed
- We have started installing the vinyl flooring to the workshops
- Carpentry is ongoing
- M+E is ongoing

Forthcoming works include:

- Lighting protection
- Man safe roof system
- External ground works
- Internal decoration

Site Contact

Our Site Manager, Mario Gammaldi, will be on site every weekday, and will be your main point of contact. Mario will be supported on site by Site Manager Ryan Leary. If you have any questions about site operations please contact Mario or Ryan, on the contact details below. These contact details will also be displayed on the site gates.

Project News Update - Issue 13 - June 2025

rooff.co.uk

Deliveries & Logistics

Deliveries will be via the approved route and will be coordinated to ensure minimal disruption to the local area. Rooff will have a dedicated traffic marshal who will monitor and manage construction traffic during work hours.

Working Hours

Working hours on site are between 8am and 6pm Monday to Friday (excluding bank holidays) and 8am to 1pm Saturdays (if required). Workers will arrive earlier in the mornings to accommodate travel arrangements but will not start any work before 8am.

Site Security

Our site is monitored by 24 hour CCTV and any intruders will be identified and security and police will be notified and attend immediately. Site hours will be 8am to 6pm Monday to Friday, if you hear or see anything outside of these hours please call our Security contractor Guardian Security on 01708 223823 who operate a 24 hour service.

Noise & Dust Control

There will be general basic construction activity noise but if any significantly loud work, such as concrete breaking is required, we will inform you in advance. Noise on site will be monitored and will follow East Hertfordshire's noise regulations. Appropriate measures will be put in place to minimise the amount of dust created. We will use water to dampen down the areas to reduce the amount of dust produced.

Planning & Local Authority Regulations

During the construction period we will try to keep any disturbance or disruption to a minimum and apologise in advance for any inconvenience caused. All works will be carried out in accordance with planning, local authority regulations, building control and current Health & Safety legislation.

Local Opportunities

There may be opportunities for the local employment of individuals involved in construction. If you are interested in finding out more about these opportunities please email enquiries@rooff.co.uk quoting '**Sheep Field Barn**'.

Communication

The monthly update newsletter will be displayed on the site hoarding as well as the Rooff website. If you would like to receive the monthly newsletters via email please email enquiries@rooff.co.uk. If you have any queries or concerns about the current works on site please do not hesitate in contacting the site staff. If you would like this information communicated by an alternative method, such as Braille, please email enquiries@rooff.co.uk.

Thank You

We would like to take this opportunity to thank you in advance for your support and understanding throughout the works.
