Project News Update - Issue 8 - August 2025

rooff.co.uk

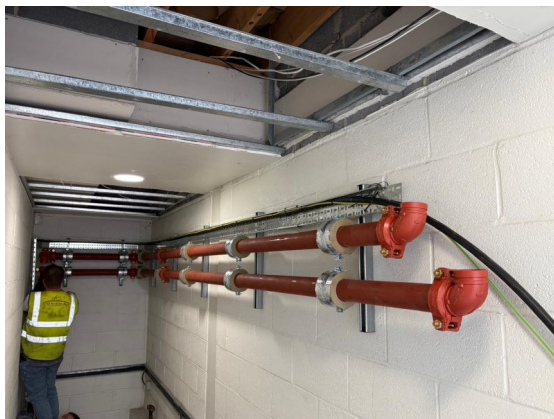

We are pleased to bring you our August newsletter for the refurbishment works for The Horniman on their latest project on the Natural History Gallery, providing an update of the current and forthcoming works on site.

Works completed:

- Chiller steelwork has been installed to the lower level roof
- External scaffold has been fully handed over, snagging included
- All roof coverings have now been removed, so we're ready to start strengthening the roof
- Fibrous repairs to high level ceiling complete
- Decorations to high level ceiling commenced Monday 4th August
- Builderswork openings have been formed inside the gallery, for mechanical and electrical containment to pass through
- Mechanical pipework installation in progress
- Electrical cable tray installation in progress

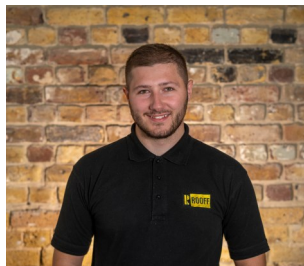

Forthcoming Works:

- Internal decorations to continue
- M&E 1st fix to continue
- Carpentry to roof to commence early August
- Weathering to chiller steelwork to be done
- New fire beam installation to North Hall is happening this week

Deliveries & Logistics

Deliveries will be via the approved route via the A205 and will be coordinated to ensure minimal disruption to the local area. Rooff will have a dedicated traffic marshal who will monitor and manage construction traffic during work hours.

Working Hours

Working hours on site are between 8am and 6pm Monday to Friday (excluding bank holidays) and 8am to 1pm Saturdays (if required). Workers will arrive earlier in the mornings to accommodate travel arrangements but will not start any work before 8am. Deliveries will be between the hours of 9am to 2pm.

Site Security

Our site is monitored by 24 hour CCTV and any intruders will be identified and security and police will be notified and attend immediately. Site hours will be 8am to 6pm Monday to Friday, if you hear or see anything outside of these hours please call our Security contractor Guardian Security on 01708 223823 who operate a 24 hour service.

Noise & Dust Control

There will be general basic construction activity noise but if any significantly loud work, such as concrete breaking is required, we will inform you in advance. Noise on site will be monitored and will follow the London Borough of Lewisham's noise regulations. Appropriate measures will be put in place to minimise the amount of dust created. We will use water to dampen down the areas to reduce the amount of dust produced.

Planning & Local Authority Regulations

During the construction period we will try to keep any disturbance or disruption to a minimum and apologise in advance for any inconvenience caused. All works will be carried out in accordance with planning, local authority regulations, building control and current Health & Safety legislation.

Considerate Constructor

The site is registered with the Considerate Constructors Scheme (516147). The benefits of which are to ensure that we consider and adhere to the scheme's requirements which involve respecting the community, caring for the environment and valuing our workforce.

If you would like further information on the Considerate Constructors Scheme please visit their website at www.ccscheme.org.uk.

Local Opportunities

There may be opportunities for the local employment of individuals involved in construction. If you are interested in finding out more about these opportunities please email enquiries@rooff.co.uk quoting '**Horniman Museum**'.

Communication

The monthly update newsletter will be displayed on the site hoarding as well as the Rooff website. If you would like to receive the monthly newsletters via email please email framework@horniman.ac.uk. If you have any queries or concerns about the current works on site please do not hesitate in contacting the site staff.

Thank You

We would like to take this opportunity to thank you in advance for your support and understanding throughout the works.
